Dear Laura,

Thank you for your email dated 6 May 2026. I am grateful to you for taking the time to write to us about this matter. Please accept our sincere apologies for not having replied to you before now.

The ALIVE Project

As Police and Crime Commissioner and chair of the Violence Reduction Partnership Strategic Board, I oversee implementation of the [West Midlands Violence Reduction Strategy](#) and compliance with the [Serious Violence Duty](#). Together with Natalie Queiroz, my Victims Advocate, we work to ensure that the rights and welfare of victims of crime are always at the forefront of policing and the criminal justice system.

Due to the catastrophic consequences for victims, families and local communities, the prevention and reduction of Serious Youth Violence is a key priority for me and my Office and this features within my [Police and Crime Plan](#) 2025 - 2029.

We are aware of the work of Laura Mace and the ALIVE Project. My Office and I welcome any and all projects and programmes in the region, that can support us in our work to safeguard and promote the welfare of children and young people affected by knife crime. However, as you are aware, we are unable to directly endorse particular projects.

Conclusion

Thank you for taking the time to contact us. If you require any further information or have any questions, please do not hesitate to contact us. We wish you every success with the ALIVE project.

Yours sincerely,

Simon Foster
Police & Crime Commissioner
